Dear Sir/Madam

RE: LETTER OF APPRECIATION

Reference is made to the above; this letter serves to confirm that we have received a donation of sewing machines and other various accessories at Munyoro Secondary School from Madam Karen.

On behalf of the people of Mutare South constituency, Munyoro Secondary School, the teachers, my country, my family and on my own behalf, I wish to thank you and appreciate the role you played in securing the sewing machines for the community I represent. It will go a long way in reducing poverty. As well as improving the social well fare of our children as well as adults by using their hands as means of acquiring knowledge.

The community is very excited with the donation and they are anticipating to be in a longer relationship with yourselves. Again on behalf of the people I represent I appeal to your good organization to continue to help them with anything that you feel as an organisation will improve their social life.

Thank you and may God bless your organization and the people that are helping thousands of people in the world who continue to receive from your efforts.

Your usual cooperation shall be greatly appreciated.

Yours faithfully

Hon. F. Kanzama (MP)
